**COUNTRYDALE METROPOLITAN DISTRICT
2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

The District, a quasi-municipal corporation and a political subdivision of the State of Colorado, was organized by court order in 1997 and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The District's service area is located entirely in Jefferson County, Colorado.

The District was established to provide financing for the design, acquisition, construction, and installation of essential public-purpose facilities such as parks and recreation, sanitary sewer, traffic and safety controls, street improvements, public transportation, water, television relay, telephone and fiber optic service, mosquito control, and the operation and maintenance of the District.

The District has authorized but unissued debt of \$14,622,754. However, pursuant to the Service Plan, the District's debt may not exceed \$27,000,000 without the consent of the City of Westminster. The District has \$10,000 of debt authorization remaining under the service plan. The voters also approved the District's ability to annually collect and retain all revenue without regard to TABOR limitations.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

**COUNTRYDALE METROPOLITAN DISTRICT
2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Revenues (continued)

Property Taxes (continued)

For property tax collection year 2024, SB22-238 and SB23B-001 set the assessment rates and actual value reductions as follows:

Category	Rate		Category	Rate		Actual Value Reduction	Amount
Single-Family Residential	6.70%		Agricultural Land	26.40%		Single-Family Residential	\$55,000
Multi-Family Residential	6.70%		Renewable Energy Land	26.40%		Multi-Family Residential	\$55,000
Commercial	27.90%		Vacant Land	27.90%		Commercial	\$30,000
Industrial	27.90%		Personal Property	27.90%		Industrial	\$30,000
Lodging	27.90%		State Assessed	27.90%		Lodging	\$30,000
			Oil & Gas Production	87.50%			

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 7% of the property taxes collected by both the General Fund and the Debt Service Fund.

General Fund Fee

On November 4, 2005, the District entered into an Exclusion and Service Agreement with the property owner for the exclusion of certain real property in the District. The property continues to be subject to the levy of taxes for the payment of its proportionate share of the outstanding debt existing at the time of the exclusion. The property has been excluded from the boundaries of the District and is therefore excluded from any future General Fund mill levy. As consideration for the benefits derived from the District's continued provision of operation and maintenance services, the owner of the property agrees to pay the District a general fund fee calculated as if it was in the District. This fee is calculated by taking the property's percentage of final assessed value times the operation and maintenance costs for the year. The District anticipates assessing a fee for collection in 2024 as displayed in the General Fund budget.

**COUNTRYDALE METROPOLITAN DISTRICT
2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Expenditures

Administrative and Operating Expenditures

Operating and administrative expenditures include the estimated services necessary to maintain the District's administrative viability such as accounting, insurance, legal and management expenses. Operating expenditures also include landscape maintenance and water.

County Treasurer's Fees

County Treasurer's fees have been computed at 1.5% of property tax collections.

Debt Service

Principal and interest payments are provided based on the debt amortization schedules from the 2015 Senior Loan and 2010 Subordinate Bonds (discussed under Debt and Leases).

Intergovernmental Payments

The District has entered into two cost sharing agreements with the City. The first agreement calls for the District to certify a fixed rate mill levy of 3 mills. The proceeds of the mill levy will be made available to the City for the purpose of jointly financing public recreation facilities.

The second agreement calls for the District to certify a mill levy of not less than .25 mills and not more than .50 mills to generate \$20,000 of revenue. All revenue generated by the mill levy is to be transferred to the City. The revenue is to be utilized to enhance golf course operations.

The District has assumed certain obligations of the developer under a land lease with the City which obligates the District to pay the City on an annual basis for a portion of the costs incurred by the City to defray the costs associated with the lease of the County property necessary for the existence of the golf course. The annual reimbursement for 2024 is \$30,000.

These mill levies are in addition to the debt service and operations mill levy. The District mill levy in 2024 to meet these contractual obligations is shown on the Property Tax Summary Information page of the budget.

Debt and Leases

2015 Senior Loan

On July 1, 2015, the District issued \$17,100,000 of Unlimited Tax General Obligation Refunding Senior Note, Series 2015 (the "Note"). The District entered into a Loan Agreement with NBH Bank in the amount of \$17,100,000 on July 1, 2015, as evidenced by the Note (the "Loan").

The Loan is due July 1, 2035, with an annual interest rate of 3.24%, calculated on the basis of a 360-day year and actual number of days elapsed, payable semi-annually on June 1 and December 1. Payments of principal are due annually on December 1.

**COUNTRYDALE METROPOLITAN DISTRICT
2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Debt and Leases (continued)

The District may prepay amounts owing under the Note at any time and from time to time. The District may be required to pay a Prepayment Fee equal to interest accrued from the beginning of the last payment date to the date of prepayment, plus the present value of the difference between (a) the amount that would have been realized by the Bank on the prepaid amount for the remaining term of the Loan at the Fixed Interest Rate on the Note and (b) the amount that would be realized by the Bank by reinvesting such prepaid funds for the remaining term of the Loan.

The Loan is secured by and payable from Pledged Revenue as defined as monies derived from the Required Mill Levy, net of collection costs; Specific Ownership Taxes; and any other legally available moneys which the Board determines in its sole discretion to apply as Pledged Revenue.

The District's Required Mill Levy, as defined in the Loan (defined below), means an ad valorem mill levy imposed upon all taxable property of the District each year in an amount sufficient to pay the principal of and interest on the Loan, as the same become due and payable, and to make up any deficiencies in the Reserve Fund, without limitation of rate.

The Loan is further secured by the Debt Service Reserve Fund in the required amount of \$350,000 for so long as the Loan is outstanding.

2010 Subordinate Bonds

The District issued \$5,490,000 of Limited Tax (Convertible to Unlimited Tax) General Obligation Refunding Subordinate Bonds, Series 2010B, dated December 17, 2010 (the "Subordinate Bonds"). The Bond Resolution authorizing the issuance of the Subordinate Bonds was amended on July 10, 2015. The Required Mill Levy imposed by the District to pay debt service on the Subordinate Bonds has converted from a limited to an unlimited mill levy.

The Subordinate Bonds are term bonds due December 15, 2037, with an interest rate of 9.00%, payable annually on December 15. The Subordinate Bonds are subject to redemption prior to maturity, at the option of the District, as a whole or in part, on December 15, 2025 and on any date thereafter without a redemption premium.

The Subordinate Bonds are secured by and payable from Pledged Revenue as defined as monies derived from the imposition of the Subordinate Required Mill Levy, net of collection costs; the portion of the Specific Ownership Tax which is collected as a result of imposition of the Subordinate Required Mill Levy, net of any costs of collection; and any other legally available moneys which the District determines, in its sole discretion, to credit as Pledged Revenue, on a subordinate basis to the Loan.

The District's Subordinate Required Mill Levy as defined in the Amended Bond Resolution, means an ad valorem mill levy imposed upon all taxable property of the District each year in an amount sufficient to pay the principal of, premium if any, and interest on the Subordinate Bonds, as the same become due and payable, without limitation of rate.

The Subordinate Bonds are further secured by the Subordinate Debt Service Reserve Fund in the required amount of \$490,000 for so long as the Subordinate Bonds are outstanding.

The District has no operating or capital leases.
